

Pickling Plant And Salt

Manufactured by :  Doit

Pickling Plant 5ltrs

Marketed by :  Doit

We at Doit Industries have brought to you the amazing Pickling Plant & salt for a reduction in loss of metal by pickling as well as to increase shining of the Casting Tree after it passes through Casting and Water Jet process. A less harmful powder which can be used instead of hazardous acid for cleaning the casting tree and giving it a shine as well as reducing the loss due to pickling is now available at Doit Industries by the name of Pickling Salt. This process takes all oxidation from the article, especially after casting of tree & chain and other ornaments at the time of Hand Soldering (Blackness).

Features :

- ▶ Polypropylene body
- ▶ Air pump is provided to avoid settling down of salt
- ▶ 2 heaters of 250w each included
- ▶ Temperature controller for automatic cut-off of temperature
