

Doit Ceramic Set

Marketed by : 

Colorit Ceramic Oven gives the designer countless opportunities to produce distinctive, colorful creations. The design possibilities are virtually limitless with Colorit Ceramic Oven. The color- fast tones are available in a number of nuances and can also be freely mixed. Since it is easy to work with, your imagination and love of experimentation will know no limits. The composite material with ceramic reinforcement can be applied quickly and easily, hardened permanently under blue light and ground and polished mechanically. The material is adhesion-, shock- and wear-resistant, making it ideal for high-quality and individual designs.

Appliances it includes:

- ▶ Dry articles inside Doit Ceramic Oven.
- ▶ Tray provided to keep jewellery articles.
- ▶ Detachable grills.
- ▶ Inside the tray, aluminium reflectors are used for better reflection.
- ▶ Two UV lights available for bigger surface.
- ▶ UV chamber with locking system provided to protect from UV light.

Assembling process:

1. Apply Premium Bond.
2. Apply colorit color on hotplate.
3. Apply colorit color on the article.
4. Use lighter on piece.
5. Dry articles inside Doit Ceramic Oven.

Note : Specialized COLORIT allows you to POLISH, BUFF and file after the process too.
