

HOLLOW WAX ROD TOOL

Marketed by:

We at Doit Industries, are presenting you one more add on to Doit Industries know how list- HOLLOW WAX ROD TOOL. This smartly fabricated tool is made for converting a normal wax rod of a casting tree into a hollow wax rod. This hollow wax structure gives more space and makes it possible for the user to hang up more number of wax pieces in proportionately lesser amount of gold. This will yield more output. The size of the rod can be customized according to the requirements of the client.
