fibre tips

Normal fibre tips

Orange fibre tip

These replacement pen plating tips will allow you to do more accurate and precise electroplating of gold, silver, rhodium and more. The pen plating tips come in bullet point and fine point tip styles. These are the very fine pointed used for small intricate detail plating. Top-notch accessories for pen plating meant to complement our gold and silver electroplating pen for flawless plating! These tips, in conjunction with the plating pen, are indispensable tools for both jewellery craftsmen and repair specialists.

Features :

- ▶ Exact dimensions and exceptional hardness
- ▶ Crafted from premium-grade materials
- ▶ Designed with ergonomics in mind for a comfortable grip.
- ▶ Light weight and easily portable.
