

# Rhoduna 474 Black

Marketed by : 

Introducing our Ruthuna® 475 Black, a premium acid-based plating solution designed to impart a striking anthracite hue, reminiscent of deep black, onto various metal surfaces. Elevate your projects with its versatile application, serving as a standalone finish or as a captivating contrast on both yellow and white metals.

## Features :

- ▶ Intense Anthracite Finish: Achieve a captivating dark gray, almost black, coloration.
- ▶ Versatile Application: Ideal for use alone or as a contrasting color on yellow and white metals.
- ▶ Bath Plating Exclusive: Tailored for use in bath plating processes, ensuring optimal results.
- ▶ Precise Formulation: Each 4 oz. bottle contains 100 ml of solution enriched with 2 grams of Ruthenium.
